योजना के अंतर्गत मंजूर किया गया था । इसे 1-7-89 से समाप्त कर दिया गया है क्योंकि ग्रामीण स्वास्थ्य गाइड योजना की पुनरीक्षा की जा रही है। राज्यों/संघ राज्य क्षेत्रों से अनुरोध किया गया था कि वे इन चिकित्सा अधिकारियों को राज्यों/संघ राज्य क्षेत्रों में चिकित्सा अधिकारियों के रिक्त पदों में आमेलित करें ।

राजकीय आयुर्वेद एवं यूनानी चिकित्सा सेवा संघ, उत्तर प्रदेश सहित कुछ व्यक्तियों/संगठनों ने इन आदेशों के विरुद्ध इलाहाबाद उच्च न्यायालय और लखनऊ स्थित इसके बैंच में रिट याचिकायें दायर की हैं ।

Child survival and safe motherhood programme

@3833. SHRIMATI KAMLA SINHA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that the World Bank is to finance a 'Child survival and safe motherhood programme';

(b) if so, what are the details of targetted area of operation of the project and whether North Eastern and Eastern States like Bihar, West Bengal and Orissa are likely to be included in the programme?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI D. K. THARA DEVI SIDDHARTHA): (a) and (b) Government has approved a Child Survival and Safe Motherhood (CSSM) Programme with an outlay of Rs. 853.61 crores during the VIIITH Five Year Plan. The World Bank, through an agreement executed on 20-2-1992, have committed to provide Interantional Development Association (IDA) financial assistance to the tune of Special Drawing Rights (SDR) 160.90 million (Rs. 557.70 crores) for this Programme.

2. The Programme aims at reducing maternal and child mortality by integrating and strengthening the existing Universal Immunization Programme, Oral Rehydration Therapy Programme and the prophylaxis schemes for control of anaemia among pregnant women and prevention of blindness due to Vitamin A deficiency in children. In addition, the Acute Respiratory Infections Control Programme will be implemented in a phased manner throughout the country, including the North Eastern and Eastern States like Bihar, Orissa and West Bengal, as part of the Child Survival initiative to prevent deaths due to pneumonia.

3. The Safe Motherhood component of the Programme has been initiated primarily in States like Bihar and Orissa which have high infant and maternal mortality. The Programme includes intensified training and involvement of Traditional Birth Attendants in ante-natal, natal and posinatal care and strengthening of the Sub-Centres and First Level Referral Units in terms of equipment and training.

Setting up of a functional dispensary at Gurgaon

3834. SHRI SARADA MOHANTY: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that the recommendations of the Seventh Estimate Committee for setting up of a functional dispensary at Gurgaon were accepted and whether emergency services have been started;

(b) whether any steps have been taken to create more posts and to start the said dispensary on a functional basis; and

(c) if not, the reasons therefor and what action Government propose to take against the erring officials in this regards and by when the dispensary is likely to be started on a functional basis?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SMT. D. K. THARA DEVI SIDDHARTHA): (a) to (c) Yes, Sir. The afternoon emergency services are already available at Gurgaon CGHS dispensary. The night emergency services at CGHS dispensary, Gurgaon will be provided shortly.

@Previously Unstarred Question 3370, transferred from the 7th August, 1992.
